2025 Summary

2025 was a year of changes for our library and community. After Paula Kelly's retirement in January, we welcomed a number of new members to our team, expanded connections with local organizations, and brought exciting new opportunities to our community.

Some of our major highlights include:

- Responding to community needs in a timely manner, whether by opening extra hours after a storm or starting the Free Little Food Library.
- Continued and strengthened partnerships with local organizations including WQED, Jefferson Regional Foundation, Western PA Diaper Bank, and Allegheny Intermediate Unit
- Expanded adult programs by working with local banks, businesses, artists, cultural organizations, and non-profits, including Dollar Bank, Bow's Bling Art, the Turkish Culture Center, and the Society for Creative Anachronism to name a few.
- Provided a number of educational and entertaining programs for kids, including Dinovember, Maker Mondays, PBS events, and more!

We wouldn't have the amazing library that we do without you! Your love and support truly helps make Whitehall Public Library a gem in the county.

I look forward to continuing to meet and serve more of the community as we move forward.
